

# Reporte de Captura

Evidencia de la URL: <https://robocorp.com/portal>

The screenshot shows the Robocorp portal interface. At the top, there is a navigation bar with the Robocorp logo, a search icon, and a menu icon. The main heading is "Automation examples and tutorials, all in one place" with a large "L" icon. Below the heading, a subtext reads: "Jumpstart your automation development with hundreds of examples and tutorials by Robocorp and the community." A section titled "Recently Added" displays three items:

- Python - Assistant AI Chat Template**: A "Robot" template for Assistants using AI/LLMs. It features icons for Python and AI, and a "Try It Out" button.
- Python - Minimal Template**: A "Robot" template using Python. It features a Python icon and a "Try It Out" button.
- A third item is partially visible below the first two.
